Take Your Skills to the Next Level!

Patient Care Technician

PCT Certification

READY TO WORK!™ APPROVED TRAINING PROVIDER

A Patient Care Technician (PCT) provides hands-on care and support to patients in hospitals, clinics, nursing homes, and other healthcare settings. They assist with activities such as bathing, dressing, mobility, vital signs, and other basic patient needs. PCTs also observe and document patient conditions while working closely with nurses and other healthcare professionals to provide safe, compassionate care.

GET TUITION & FEES PAID for training in high-demand careers! Training only takes 16 weeks for a career that will take your life to the next level!

GET SUPPORT FOR THE NEXT LEVEL! In-person & online training includes textbooks, software, licenses, study materials and more.

CAREER READINESS SERVICES Attend Webinars to develop your resume, interviewing skills, salary negotiation, personal brand, and more. Check out job postings and work with a recruiter for employment opportunities.
